

**OPERATIVE: F-29 ALPHA****CORRECTION ORDER: C-29 ECHO****FERNANDA,**

A breach has occurred within your continuity.

At 02:17 AM, an unauthorized operative crossed into Alpha.

TARGET DESIGNATION: C-29 ECHO**STATUS: ROGUE****THREAT CLASSIFICATION: CRITICAL****CORRECTION STATUS: AUTHORIZATION PENDING**

Echo received training comparable to your own. She understands Meridian procedure and has demonstrated an ability to anticipate investigative response.

For this reason, evidence concerning the breach has been deliberately dispersed. No complete record exists in a single location.

Echo is believed responsible for a series of fractures affecting multiple continuities. Similar events have resulted in complete continuity loss.

Alpha may be next.

YOUR DIRECTIVE**I. LOCATE C-29 ECHO.****II. DETERMINE HER OBJECTIVE.****III. COMPLETE THE CORRECTION.**

Do not initiate contact with the target.

Do not respond to communications originating from the target.

Information supplied by Echo should be considered compromised until independently verified.

Your case materials have been placed beyond this document. Access to the Meridian network has been isolated in accordance with containment protocol.

RECOVERY INSTRUCTION

Some problems are finished. Others are abandoned.

Yours waits where unfinished puzzles go to die.

Recover the access channel. Trust the evidence. Complete the Correction.
